[video: a drawing of Anna Gabor slowly appears on screen]

Dale Frank: Anna Gabor is Eden's general counsel. She advises City Counsel on all legal aspects of its by-laws. Her legal opinions carry great weight. Anna is a busy general counsel handling many pressing city matters. She needs to be pro-active to prevent costly and time-consuming court cases that tarnish the city's reputation. Anna is responsible for making sure the City's by-laws comply with Eden's Human Rights Code. With ACTNow involved, Anna will be wondering if the by-law complies with accessibility standards.
